

Board of Governors of the Federal Reserve System

Systemic Risk Report—FR Y-15

Report at the close of business as of the last calendar day of the quarter.

This Report is required by law: Section 5 of the Bank Holding Company Act of 1956; section 10(b) of the Homeowners' Loan Act; and section 8 of the International Banking Act of 1978.

The Federal Reserve may not conduct or sponsor, and an organization (or a person) is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

NOTE: Each banking organization's board of directors and senior management are responsible for establishing and maintaining an effective system of internal control, including controls over the *Systemic Risk Report*. The *Systemic Risk Report* is to be prepared in accordance with instructions provided by the Federal Reserve System. The *Systemic Risk Report* must be signed and attested by the Chief Financial Officer (CFO) of the reporting banking organization (or by the individual performing this equivalent function). For foreign banking organizations, the *Systemic Risk Report* must be signed and attested by an authorized officer of the foreign banking organization.

I, the undersigned CFO (or equivalent/authorized officer) of the named banking organization, attest that the *Systemic Risk Report* (including the supporting schedules) for this report date has been prepared in conformance with the instructions issued by the Federal Reserve System and is true and correct to the best of my knowledge and belief.

Optional Narrative Statement

The management of the reporting banking organization has the option to submit a public statement regarding the values reported on the FR Y-15. The statement must not contain any confidential information that would compromise customer privacy or that the respondent is not willing to have made public. Furthermore, the information in the narrative statement must be accurate and must not be misleading.

The statement may not exceed 750 characters, including punctuation, indentation, and standard spacing between words and sentences. Statements exceeding this limit will be truncated at

750 characters with no notice to the respondent. Other than the truncation of statements exceeding the character limit, the statement will appear on agency computerized records and in releases to the public exactly as submitted. Public disclosure of the statement shall not signify that a federal supervisory agency has verified the accuracy or relevance of the information contained therein.

If the respondent elects not to make a statement, the item should be left blank (i.e., do not enter phrases such as "No statement," "Not applicable," "N/A," "No comment," or "None").
